ABOUT

I am a videographer and photographer with over a decade of experience always pushing bounds and working to deliver the best product and service to my clients. With experience working with small businesses, professional sports, personalities and more in a wide range of fields, I am sure to craft content that will express your brand voice in new ways with quality service and friendly pricing.

If you have any questions or concerns please reach out!

VIDEO

From short form social media content to in-depth films, I can help achieve your vision and expand your audience.

\$100 per hour of shooting

\$140 per hour of drone flight time

\$40 per hour editing (1 hr. = ~1 minute of finished footage)

PHOTO

First impressions are important, make sure you do it right with professional photos. Whether it is headshots, events, or products I have you covered.
